Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your report fails to provide proper election designations for contributions disclosed on Schedule A supporting Line(s) 11a and 11c. Authorized committees should indicate the election for which the contribution was designated. If no election is designated, the contribution is applied to the next election for the federal office the candidate is seeking after the contribution date. Please be advised that incorrect election designations may result in excessive or impermissible contributions. Please amend your report to clarify election designations P2013. (11 CFR §§ 110.1(b) and 110.2(b))
2. Your report discloses interest receipts from Hilliard Lyons. This depository has not been previously disclosed on your Statement of Organization. Commission Regulations require that each political committee disclose the name of all banks or other depositories in which the committee deposits funds, holds accounts, rents safety deposit boxes or maintains funds. Please amend your Statement of Organization to disclose all committee depositories. (11 CFR § 102.2(a)(1)(vi))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
